

OLG 2019 One Lucky Guitar, Inc.

Career Opportunity
January 2019

VIDEOGRAPHER

Background

At One Lucky Guitar, we communicate brand soul—including, quite compellingly, through video. OLG's in-house videographer produces projects from start-to-finish and in collaboration with outside production partners.

Core Responsibilities

All OLG'ers have large closets; it's a must for all of the hats we wear. Having said that, this role's primary focus areas include:

- Shooting and editing video for a wide-range of delivery channels.
- Flexible and exploratory in approach to concepts and edits.
- Plan-, detail-, deadline-oriented approach to work.
- Not required, but it's a plus: motion graphics interest and experience.
- Not required, but it's a plus: graphic design interest and experience.
- Not required, but it's a plus: copywriting interest and experience .

Qualifications

- We prefer two+ years of industry experience.
- Team first; humble, hungry and smart.
- Open mind.
- Glass half full.
- Love to work really hard.

About One Lucky Guitar, Inc.
